**FOR IMMEDIATE RELEASE**

**SCIL LAUNCHES HIGHLY ANTICIPATED TTA ORTHOPEDIC PRODUCT LINE**

*scil Proudly Offers TTA Orthopedic Implants; scil Exclusively Partners with Butler Schein*

**Chicago, Illinois, September 13, 2011** — scil animal care company, inc., a global organization focused on providing high quality veterinary medical equipment and veterinary specific orthopedic products, is pleased to announce an addition to their orthopedic line. scil now offers a TTA product line featuring instrumentation and implants.

The TTA product line is a welcome addition to scil's current fracture repair and osteosynthesis product offerings. The TTA orthopedic implants enhance scil's Tibial Tuberosity Advancement Workshop; a continuing education course hosted by scil Vet Academy designed for orthopedic surgeons and the general practitioner. The course focuses on cranial cruciate disease, theory, procedure and necessary surgical equipment. Now scil can completely equip the doctor for surgery by making the surgical power drill, saw and implants readily available during the course.

scil is also proud to announce their continued partnership with Butler Schein Animal Health – a Henry Schein Company – the leading U.S. distributor of animal health medical supplies to the veterinary industry. Butler Schein will exclusively distribute these new TTA orthopedic products to the North American veterinary market. With approximately 900 team members including 300 field sales representatives and 200 telesales and customer support representatives employed, Butler Schein has the ability to launch this new product line across the United States.

## **SCIL LAUNCHES HIGHLY ANTICIPATED TTA ORTHOPEDIC PRODUCT LINE – PAGE 2**

“Butler Schein Animal Health is excited to once again partner with scil animal care company and support a quality line of TTA products,” states Amy Harlacher, Marketing Director of Equipment & Supplies Segment, Butler Schein Animal Health. “We now offer a comprehensive orthopedic product portfolio, coupled with hands-on workshops that will assist the general practitioner in learning new orthopedic products, enhancing their surgery services, and generating new revenue for the practice.”

Butler Schein will also continue to provide on-site support at each scil Vet Academy continuing education course.

scil anticipates that this new product offering will help build a stronger customer base of veterinary orthopedic surgeons. scil, along with Butler Schein Animal Health, will continue to support the veterinary industry with unsurpassed customer and product support, as well as continuing education opportunities.
